

Innovation Supporting Practice, Research and Education

**Thursday 22nd May 2014**

**1.00pm - 6.30pm**

Hugh Aston Building, De Montfort University, Leicester

The De Montfort University Postgraduate Pharmacy Team invite you to

# **Make a Difference**

## **Postgraduate Professional Pharmacy Event**

### **Register Now**

This **FREE** event is open to past and current De Montfort students, pharmacists in the East Midlands and regional partners.

### **Event Specialist Workshops**

Contribute to the event workshops where invited pharmacists will share how their projects, initiatives and research have made a difference, and delegates can contribute to discussion and consider how they can make a difference for patients and professionals.

Workshops will focus on:

- Critical Care
- Public Health
- Care homes
- Primary-secondary care interface issues
- Medicines Use Reviews and New Medicines Services

### Event Programme:

- 1.00pm** Registration and lunch buffet
- 1.50pm** Welcome presentation
- 2.00pm** **Keynote speaker: Leadership in times of change**  
**Jan Sobieraj, Managing Director, NHS Leadership Academy**
- 3.00pm** Workshops 1
- 4.15pm** Refreshments
- 4.30pm** Workshops 2
- 5.45pm** **Talks: Research impact model - patient centred pharmacy services, Josie Solomon, DMU**  
Prize giving & international charity presentation
- 6.30pm** Event close

**We look forward to welcoming you to this event!**
