

# Peer discussion prompt questions

---

What happened?

What else was happening at that time?

What led to that happening?

What influenced you to do what you did?

What could you have done differently?

What was the reaction of other people?

How did this effect other people?

What was the final outcome?

What will you do differently now?

How will this benefit the people who use your service?

When will you make a change?

In a similar situation I did.... How would that work for you?
