

Information for parents in Nottinghamshire

**Did you know pharmacies offer clinical appointments with medication available if required for four clinical conditions relevant to school age children?**

**Earache (children aged 1-17)**

**Sore throat (over 5s)**

**Infected insect bites (over 1s)**

**Impetigo (over 1s)**

**Think Pharmacy First!**

If your child is off sick with any of these conditions,  
**go straight to your local pharmacy** for a consultation with the pharmacist and receive advice and medication if required.

**You do not need a GP appointment.**

**Scan the QR code to find your nearest pharmacy.**

## Pharmacy First Services in Nottinghamshire

Most pharmacies can help you with the following conditions without needing a GP appointment. When you request an appointment at your practice, if you can be treated by a pharmacist, you will be supported to make an appointment at your local pharmacy rather than at the GP practice.

**Sinusitis** (adults & children aged 12 years and over)

**Sore throat** (adults & children aged 5 years and over)

**Earache** (children & young adults aged 1 year to 17 years)

**Infected insect bites** (adults & children aged 1 year and over)

**Impetigo** (adults & children aged 1 year and over)

**Shingles** (adults aged 18 and over)

**Urinary tract infection (UTI)** (women aged 16 to 64 years)
