

## Support Smokers to Quit, Strengthen Local Health & Boost Your Pharmacy's Earnings

Pharmacy teams, are you ready to improve patient health and grow your business?

ABL Health is inviting Nottingham pharmacies to subcontract with us and deliver high-quality smoking cessation support, in line with NCSCCT guidance. Join a trusted, evidence-based programme helping patients quit smoking through Nicotine Replacement Therapy (NRT) or the "Swap to Stop" vape model.

### Who are Your Health Notts?

An Integrated Wellbeing Service delivered by ABL Health and commissioned by Nottinghamshire County Council, to provide free support such as; weight management, smoking cessation and strength and balance

### Why get involved?

- Free NCSCCT accredited training for staff
- Payment per successful quit model
- You'll become a trusted stop smoking provider in the community; helping to reduce smoking related illnesses

### What's expected from you

- Promote the smoking cessation service to patients
- Deliver support in line with NCST guidelines
- Submit basic activity date (support provided for this)
- Participate in occasional quality checks and support with reviews

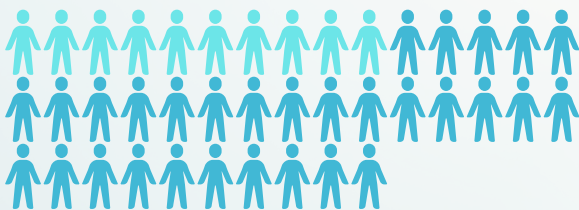

### Setting you up to succeed with free, fully supported training

- Stage 1: Self-paced NCSCCT modules (Online)
- Stage 2: 4 Core live online sessions
- Stage 3: Live observations & competency assessment
- Flexible Training Options
